## Maximum 12 words: Accurately reflects the content and includes the main keywords | İsmet Akça

**ABSTRACT:** Clearly and concisely summarizes relevant knowledge, states the problem, the main aim and the contribution to Marxist conception of totality, materialist conception of history and/or materialist dialectics. Every point made in every part of the abstract must be elaborated in the main text – even if the main text is organized quite differently from the abstract. Abstract should be 250-500 words.

**KEYWORDS:** A list of 3 to 9 words, separated by commas. Each keyword must be elaborated in the main text.

### INTRODUCTION

The purpose of these guidelines is to ensure a clear, standard format for submissions. Please follow all guidelines as closely as possible. *Marxism & Sciences* is an open access journal. Publication of articles/essays and access to accepted and published material is free. The journal does not charge any article/essay submission, processing or publication fees. We have no budget for proof-readers or type-setters. These tasks are therefore the responsibility of the authors.

### The Main Text

The main text should be clearly structured. Headings depend on content and need not correspond to the headings in the abstract. The structure of empirical studies should be conventional with introduction, method, results and conclusions.

### Figures and Tables

Figures and tables should be numbered and include concise, self-explanatory captions, and embedded within the main text. Authors are responsible for formatting. Figures should be camera-ready. First authors are responsible for any copyright issues. Digital files of figures and illustrations should be also delivered separately in .TIF or .JPG format with a minimum resolution of 300 dpi. Freehand or typewritten lettering should not be used.

### Citation style

Submissions must have written according to *Chicago Manual of Style* 17<sup>th</sup> Ed. Articles and essays are expected to use 'author-date style' and 'notes and bibliography style', respectively.

### Biographies

-

  - Received:                      Revised:                      Accepted:
  - Available online:
  - doi:

Submissions should close with brief biographical texts (150-300 words for each author) and recent photographs of each author that appear separately on the last page.

Research and Publication Ethics: Articles/Essays should conform with international research and publication ethics.

Similarity Report for Plagiarism Detection: A similarity report is produced by the editors and similarity rate is evaluated according to the context of each submission. Submissions with similarity rate higher than % 30 are rejected, in any case.

### **Submission procedure**

Your manuscript should be submitted as an e-mail attachment to both addresses, below:

- [editor\[at\]marxismandsciences.org](mailto:editor@marxismandsciences.org)
- [marxismandsciences\[at\]gmail.com](mailto:marxismandsciences@gmail.com)

Please include the entire submission within both a pdf file and a word file with pages and lines numbered throughout.
